

# GOSPEL FLUENCY COURSE

May 5 | May 12 | May 19

Thank you for registering for Gospel Fluency!

Here's how the course will run:

## Weekly Assignments

Prior to each class you will have homework assignments, and then at each class we will watch a short video together, and then have discussions around tables about the video and homework. Each week's homework consists of a video, a couple of short readings, plus optional material including more articles and podcasts. [Here is the link to all the material.](#) As you'll see in the schedule below, there will be two videos and two sets of readings for Class 2. It's not a very heavy load, so we ask that everyone please do the homework each week. Please note: the sample chapter of the Gospel Fluency that you should read prior to Class 1 is downloadable from [this link](#).

## Schedule

Now that you know where to find all the videos and readings, here's the outline of when you'll be engaging with each part. Each class will be on a Thursday in the Chapel starting at 7pm and lasting until approximately 8:30.

Here's what each class will cover:
